ratonlarvor

yannicklarvor

FullStack Senior Java Developer for 10 years.

Specialized in digital transformation and the Spring Boot Framework.

10Years  
of  
experience

including 7 years in Switzerland at **Smartwave SA**

I am looking for a new professional challenge in the banking sector in order to evolve as a tech leader/architect.

## SKILLS

I acquired solid technical skills in web application development.

## LANGAGES

 French (mother tongue)

 English (fluent)

 Italian (basics)

I regularly use Maven, Git and Jira.

I am strongly interested in improving my knowledge of DevOps and Project Management.

## HOBBIES

I am passionate about basketball and have been playing for 20 years at the departmental level.

I help a small local association (**Le Marlio'Z Café**) to manage their digital communication.

## EXPERIENCE
